

## SSFAAC Impact Report: Facilities Management & Development

FY2018-19

### Classroom Renovations:

Student success fee funding of \$250,000 for FY 2018-19 provided classroom renovations for six classrooms. Two classrooms in the Alan A. Erhart Agriculture (010) and four classrooms in the Graphic Arts Building (026).

All classrooms received the following new upgrades from the SSF funding:

- Desks
- Paint
- Whiteboards
- Projector screens
- AV equipment
- Instructor stations

Classroom upgrades completed:

Alan A. Erhart (010)	Graphic Arts (026)
10-111, 38 desks	26-103A, 42 desks
10-115, 38 desks	26-103B, 43 desks
	26-104, 77 desks
	26-106-48 desks

### Classroom Security Upgrade Initiative:

Student Success fee funding of \$50,000 for FY 2018-19 provided new lock hardware in all classrooms and teaching labs in the Education Building (002) and the Business Building (003). All locks on the Education Building (002) have been installed. The Business Building hardware is under evaluation and installation will be scheduled shortly.

The remaining Student Success fee funding has been used in conjunction with funding from FMD to complete additional lock hardware retrofits in the following buildings.

Building	Number of rooms upgraded
Architecture & Environmental Science (005)	4
Bioresource & Agriculture (008)	2
Agriculture Sciences (011)	1
Computer Science (014)	7
Engineering West (021)	6
Food Processing (024)	1
Graphic Arts (026)	4
Fisher Science (033)	4
Dexter (034)	2
Science (052)	3
Construction Innovations Center (186)	12
