

Public Alerts

334.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for alerting the public to important information and soliciting public aid when appropriate.

334.2 POLICY

Public alerts may be employed using the Emergency Alert System (EAS), local radio, television and press organizations and other groups to notify the public of incidents, or enlist the aid of the public, when the exchange of information may enhance the safety of the community. Various types of alerts may be available based upon each situation and the alert system's individual criteria.

334.3 RESPONSIBILITIES

334.3.1 MEMBER RESPONSIBILITIES

Members of the CSU Police Department, San Luis Obispo should notify their supervisor, Watch Commander, or Investigations Division Supervisor as soon as practicable upon learning of a situation where public notification, a warning, or enlisting the help of the media and public could assist in locating a missing person, apprehending a dangerous person, or gathering information.

334.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor apprised of the need for a public alert is responsible to make the appropriate notifications based upon the circumstances of each situation. The supervisor shall promptly notify the Chief of Police, the appropriate Deputy Chief of Police and the Public Information Officer when any public alert is generated.

The supervisor in charge of the investigation to which the alert relates is responsible for the following:

- (a) Updating alerts
- (b) Canceling alerts
- (c) Ensuring all appropriate reports are completed
- (d) Preparing an after-action evaluation of the investigation to be forwarded to the Deputy Chief of Police
