## Body Worn Cameras (BWC) Policy

### 451.1 POLICY PURPOSE

The purpose of this policy is to establish guidelines for the use of Body Worn Cameras (BWC) by officers working for The California State University Campus Police Departments while on-duty and during work related contacts with the public in accordance with the law.

The California State University ("CSU") has adopted the following policy in order to create statewide uniformity and procedures to be complied with by all 23 CSU campuses.

### 451.2 POLICY OBJECTIVES

CSU has adopted the use of the BWC to accomplish several objectives. The primary objectives are as follows:

- (a) Collect evidence for use in criminal investigations and prosecutions;
- (b) Deterring criminal activity and uncooperative behavior during police-public interaction;
- (c) Assist officers with completing reports and providing testimony in court;
- (d) Promote accountability;
- (e) Assist in resolving complaints against officers including false allegations by members of the public; and
- (f) Provide additional information for officer evaluations, training and continuous improvement.

BWC recordings provide additional information regarding investigative or enforcement contact with a member of the public. BWC recordings; however, provide limited perspective of the encounter and must be considered with all other available evidence, such as witness statements, officer interviews, forensic analysis and documentary evidence, when evaluating the appropriateness of the officer's actions.

### 451.3 POLICY

The Body Worn Camera, hereinafter referred to as BWC, is an audio and video capturing system that is attached to the outside, upper body of an officer's uniform, facing forward to make video and audio recording. It shall be used to document incidents that occur in official duties of CSU peace officers. The following shall be the policy when using the BWC:

- (a) On-duty uniformed officers responding to calls for service or taking enforcement action shall make every effort to activate the BWC to record contact with citizens in the performance of their official duties.
- (b) Peace officers shall make every effort to immediately activate their body camera upon being dispatched Code-3 or any call that may be perceived as a critical incident (Part 1 crime). The BWC shall remain activated until the contact, incident or event

is completed to ensure the integrity of the recording. Except in situations that meet section 451.4 (d).

- (c) The Chief of Police at each campus shall determine how the BWC shall be worn by the officers within their Department.
- (d) If an officer fails to activate the BWC, fails to record the entire contact, or interrupts the recording, the officer shall document why the recording was not made, was interrupted or was terminated for reasons other than described in section 451.4 (d), via a memo to the officer's watch commander.
- (e) Officers shall document in police reports whether a BWC was utilized. (e.g. "My Dept. issued BWC was activated during the contact, detention, arrest, etc.)
- (f) For the purposes of this policy, it shall be presumed that any individual contacted by a uniformed officer wearing a conspicuously mounted body camera will have knowledge that such contact is being recorded. A uniformed officer shall give an affirmative answer if asked by a citizen if they are being recorded during the course of an official contact.
- (g) BWC equipment will be issued to all peace officers at the rank of sergeant and below. Uniformed officers who are assigned BWC equipment must use the equipment unless otherwise authorized by Command Staff. Officers shall use only BWCs issued or approved by their Department.

- (i) Police personnel who are assigned BWCs shall complete a training program to ensure proper use and operations of the equipment prior to deployment in field operations. Future training may be periodically required to ensure the continued effective use and operation of the equipment, proper calibration, performance, and to incorporate changes, updates, or other revisions in policy and equipment.
- (j) Prior to going into service, uniformed officers shall confirm that the BWC is working and recording properly. If the BWC is not working or malfunctions at any time, the officer shall promptly notify his/her supervisor and obtain a functioning BWC.
- (k) On-duty uniformed officers shall not be held financially responsible for damaged, broken or inoperable BWC equipment unless abuse or negligence of the equipment is found to be the cause. Any equipment malfunctions shall be brought to the attention of the officer's on-duty supervisor via a memorandum outlining the circumstances that led to the affected BWC so a replacement unit may be procured.
- (l) Officers shall not edit, alter, erase, duplicate, copy, share or otherwise distribute in any manner BWC recordings without prior written authorization and approval from the Chief of Police or designee.
- (m) Requests for deletions of recordings or any portion thereof must be submitted in writing and approved by the Chief of Police or designee in accordance with CSU record retention policy.

If an officer is unable to download at the end of his/ her shift, the officer shall ask their on-duty supervisor if it is acceptable to download the files at the beginning of the officer's next shift. Each file shall contain information related to the date, BWC identifier, and assigned officer.
